## Student Internship Program: Non-Profit Host Application

### What is the Homer A. & Mildred Scott Foundation Internship?

The Homer A. & Mildred Scott Foundation Internship is a unique opportunity for Sheridan College students to gain practicum experience closely related to their field of study while the participating non-profit organization is able to move their mission forward with the aid of the student intern. Sheridan College Foundation will facilitate the partnership between the student intern and the non-profit organization. Student Intern positions are generously funded by the Homer A. & Mildred Scott Foundation.

- In order to benefit multiple non-profit organizations, this program will limit each organization to one year of the student internship eligibility unless program funds are available.

\*A submitted application does not guarantee student placement or new organizations have not applied.

Please return to the Sheridan College Foundation offices, located on campus in the GMB Building- Suite #150 or email it to [deedavis@sheridan.edu](mailto:deedavis@sheridan.edu).
